

Rochester's Big Reunion

Coming Home

Honoring the past, embracing the future. We're inviting Rochesterians past and present to celebrate all that makes Rochester a great place to live, work and raise a family. This **extended-family reunion** is for everyone who keeps a special place in their heart for this great city. Visit the **community calendar** of 175th Anniversary events at www.Rochester175.com.
Add your event and invite everyone to re-live your fondest memories, and hopefully create new ones.
